Step

1

Select Type

DOUBLE ROLLER BLINDS

- Day-night combo: Sunscreen/Sheer with Blockout Roller Blinds.
- Independent control for doubled insulation benefits.
- Daytime offers diffused light and privacy; nighttime ensures darkness.
- Note: Double brackets not available for Extreme Roller Blinds.

SUNSCREEN ROLLER BLINDS

- Softly diffuses light for daytime privacy
- Daytime views preserved with 3-10% openness
- Woven mesh fabric for a stylish touch
- Provides 80-97% UV protection and glare reduction
- Energy-efficient, contributing to savings

BLOCKOUT ROLLER BLINDS

- Blocks light for a darkened ambiance
- Ensures privacy and UV protection
- Enhances insulation, saving on energy bills
- Ideal for bedrooms and private spaces

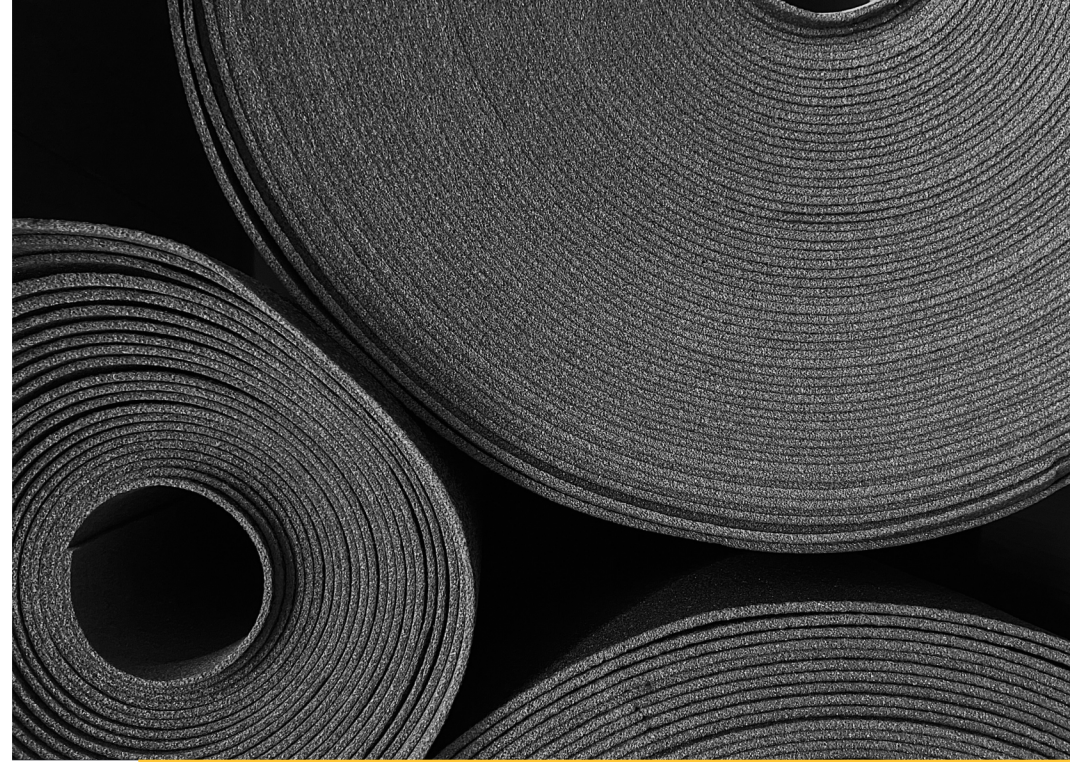

LIGHT FILTERING BLINDS

- Gently diffuses natural daylight
- Enhances daytime privacy
- Conceals unsightly views

Step 2 Select The Fabric

- Modern Finish: Opt for a sleek stitched pocket or bottom rail for a contemporary look.
- Timeless Touch: Choose a scallop finish with braid or fringe for classic elegance.
- Pattern Play: Add a bonded insert in drapery fabric for a pop of style.
- Durability: Our premium aluminum base rails ensure strength and control on breezy days, with oval, d-shape, or fabric wrap options for a seamless, stylish finish.
